Dear Glen Allan Elementary school families,
Under Alberta Education's new School Fee Regulation, schools must consult with parents prior to setting school fees for the upcoming school year. Our next school council meeting will be taking place on January 15, 2020 at 7:00 p.m. During that time, I'll be sharing information about our current fee structure, posing specific questions about priorities, and asking you to provide your feedback as we plan for the 2020-21 school year. While many of these activities and services enhance students' educational experience, we want to ensure these fees aren't cost prohibitive for families.

Specifically, we will be asking for input on the following:

- Noon hour supervision
- Field trips and associated fees
- Extracurricular activities
- Non-curricular goods and services (for example, yearbooks)

I understand not all families will be available to attend the meeting but it's still important we get as much input from the school community as possible. Following the meeting, materials will be shared on our website (<https://www.glenallanelementary.ca/>) for your review, and an email address provided so you can submit a written response.

School administration will use feedback provided to help determine fees for 2020-21, which will then be shared at the February school council meeting, posted to our website and shared via link through email.

I look forward to hearing from you on January 15 at our Parent Council meeting.

Sincerely,

Tracey Arbuthnott
Principal
